

## ABC's of Water Safety!

### A is for ADULT!

An adult must always be with you around water.

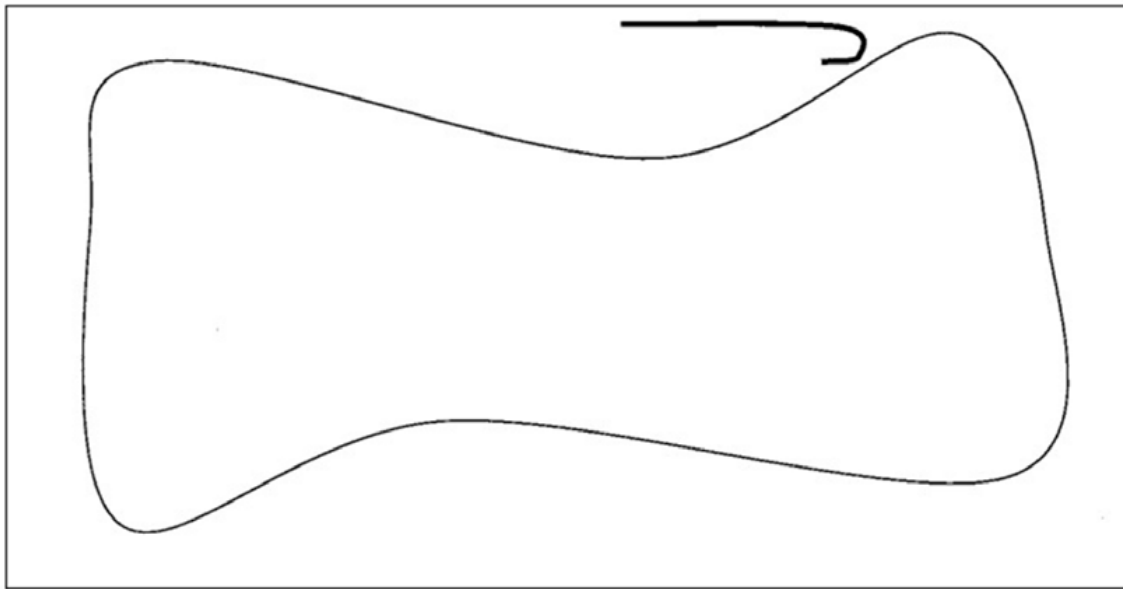

### B is for BARRIER!

A barrier is something that keeps you away from danger.

### C is for CLASSES!

Take swimming lessons so you can learn how to swim!

## Water Safety Drawing Game

**Directions:** Draw a picture of words from the word bank that makes a pool area safe.

*\*Hint: Not all of the words are safe! Be careful. An example has been done for you.*
